SAVARIA CORPORATION

MANAGEMENT PROXY CIRCULAR

FOR THE ANNUAL GENERAL MEETING OF SHAREHOLDERS TO BE HELD ON MAY 11, 2023

1. NOTICE AND ACCESS RULES

Savaria Corporation (the “**Corporation**”) has elected to use the Notice and Access rules adopted by the Canadian Securities Administrators to reduce the volume of paper in the meeting materials distributed for the annual general meeting of the shareholders (the “**Meeting**”). Instead of receiving this management proxy circular (the “**Proxy Circular**”) with a proxy form or voting instruction form, shareholders will receive a notice of meeting (the “**Notice of Meeting**”) with instructions on how to access the Meeting materials online. The Corporation sent the Notice of Meeting and proxy form (the “**Proxy Form**”) directly to registered shareholders. The Corporation intends to pay for intermediaries to deliver the Notice of Meeting, voting instruction form and other Meeting materials to the non-registered shareholders.

The Circular and other relevant materials can be viewed on the Internet at <https://www.savaria.com/our-company/investors?lang=en> or under the Corporation’s profile on SEDAR at www.sedar.com.

Any shareholder who would like to receive a printed copy of the Meeting materials by mail, at no cost, must request one no later than May 1st, 2023. Any shareholder with a 15-digit control number who wishes to receive a paper copy of the Meeting materials may, at no cost, request printed copies by calling the toll-free number 1-866-962-0498 (if they are in North America), or by calling 1-514-982-8716 (if they are outside North America). Any shareholder with a 16-digit control number who wishes to receive a paper copy of the Meeting materials may, at no cost, request printed copies by calling the toll-free number 1-877-907-7643. To ensure that you receive the Meeting materials in advance of the voting deadline and Meeting date, all requests must be received no later than ten (10) business days before the Meeting to ensure timely receipt. If you request a paper copy of the Meeting materials, another Proxy Form or Voting Instruction Form will not be sent to you, so please retain the one received with the Notice of Meeting for voting purposes. To obtain a printed copy of the documents after the Meeting date, please call 1-514-982-7563.

2. VOTING INFORMATION

2.1 Solicitation of Proxies

This Proxy Circular is provided in connection with the solicitation of proxies by the Management of the Corporation for use at the Meeting of the Corporation to be held at Le Centre Sheraton Montréal Hotel in the Drummond West and Center room, located at 1201, René-Lévesque Blvd W., Montréal (Québec), on May 11, 2023, at 11:00 a.m. (EDT) and at any adjournments of the Meeting, for the purposes set out in the accompanying Notice of the Meeting. The solicitation of proxies will be primarily by mail, but may also be by telephone or oral communications by the directors, officers and regular employees of the Corporation, at no additional compensation. The costs of preparation and mailing of the Notice of Meeting, the Proxy Circular and the Proxy Form as well as any such solicitation referred to above will be borne by the Corporation.

2.2 Appointment of Proxy and Discretionary Authority

A shareholder has the right to designate a person or company (who need not be a shareholder of the Corporation) other than the individuals named on the Proxy Form enclosed, to attend and act on his or her behalf at the Meeting. Such right may be exercised by inserting, in the blank space provided, the name of the person or company to be designated and deleting therefrom the names of the management designees or by completing another proper instrument of proxy and in either case, depositing the resulting instrument of proxy at *Computershare Investors Services*, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, by 5:00 p.m. (EST), on May 9, 2023. The instrument appointing a proxy shall be in writing and shall be executed by the shareholder or his or her attorney

authorized in writing or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

All shares represented at the Meeting by properly executed proxies will be voted in accordance with the instructions of the shareholders on any ballot that may be called for and where a choice with respect to any matter to be acted upon has been specified in the Proxy Form, the shares will be voted in accordance with such specification. In the absence of any such specifications, the management designees, if named as proxy, will vote IN FAVOUR of all matters set out therein. If a shareholder appoints a person designated in the Proxy Form or nominee, and where a choice with respect to any matters to be acted upon has not been specified, the Proxy Form will be voted IN FAVOUR of all the matters set out therein.

The enclosed Proxy Form, when properly signed, also confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting, or at any adjournment thereof. The management of the Corporation does not know of any matters which may be presented at the Meeting, other than the matters set out in the Notice of Meeting; but if other matters or amendments or variations do properly come before the Meeting, it is the intention of the persons named in the enclosed Proxy Form to vote such proxy according to their best judgment pursuant to the discretionary authority conferred by the Proxy Form with respect to such matters.

2.3 Revocation of Proxies

A shareholder or intermediary who has given a proxy, or his or her attorney authorized in writing, may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy, by instrument in writing executed by the shareholder or his or her attorney authorized in writing, or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized in writing and deposited either at the registered office of the Corporation or the office of *Computershare Investor Services*, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof at which the proxy is to be used, or with the Chairperson of such Meeting on the day of the Meeting or any adjournment thereof. In addition, a proxy may be revoked by the shareholder personally attending the Meeting and voting his or her shares.

2.4 Beneficial Holder of Shares

The information set out in this section is of significant importance to many shareholders of the Corporation, as a substantial number of the shareholders do not hold common shares in their own name. **Shareholders who do not hold their common shares in their own name (referred to in this Proxy Circular as “Beneficial Shareholders”) should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of common shares can be recognized and acted upon at the Meeting.** If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will more likely be registered under the name of the broker or an agent of a broker. In Canada, the vast majority of such shares are registered under the name of *CDS & Co.* (the registration name for *CDS Clearing and Depository Services Inc.*, which acts as the nominee for many Canadian brokerage firms). Common shares held by brokers or their nominees can only be voted upon the instructions of the Beneficial Shareholders. Without specific instructions, brokers/nominees are prohibited from voting common shares for their clients. The Corporation does not know for whose benefit the common shares registered in the name of *CDS & Co.* are held. Therefore, Beneficial Shareholders cannot be recognized at the Meeting for purposes of voting the common shares in person or by way of proxy, except as set out below.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that the common shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker is identical to that provided to registered shareholders. However, its purpose is limited to instructing the registered shareholder on how to vote on behalf of the Beneficial Shareholder.

The majority of brokers now delegate responsibility for obtaining instructions from clients to *Broadridge Investor Communication Solutions* (“Broadridge”). Broadridge typically mails a scannable Voting Instruction Form in lieu of the Proxy Form. The Beneficial Shareholder is asked to complete and return the Voting Instruction Form to them by mail or facsimile. Alternatively, the Beneficial Shareholder can call a toll-free number to vote the common shares held by the Beneficial Shareholder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting. A Beneficial Shareholder receiving a Voting Instruction Form cannot use that Voting Instruction Form to vote common shares directly at the Meeting, as the Voting Instruction Form must be returned as directed by Broadridge well in advance of the Meeting in order to have the common shares votes. If you are a Beneficial Shareholder and wish to vote in person at the Meeting, please contact your broker or agent well in advance of the Meeting to determine how you can do so.

2.5 Voting Shares and Principal Shareholders

The authorized capital of the Corporation consists of an unlimited number of common shares, an unlimited number of First Preferred shares and an unlimited number of Second Preferred shares, of which 64,513,987 common shares were issued and outstanding as of March 28, 2023. There are no First Preferred or Second Preferred shares issued and outstanding at the date of this Proxy Circular.

Each common share entitles the holder thereof to one vote on all matters to come before the Meeting. No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the common shares of the Corporation. The directors of the Corporation have established March 28, 2023, as the record date for determination of the persons entitled to receive notice of the Meeting.

Shareholders, as of the record date, are entitled to vote their common shares, except to the extent that they have transferred the ownership of any of their shares after the record date. The transferees of those common shares must produce properly endorsed share certificates or otherwise establish that they own the shares, and demand, not later than ten (10) days before the Meeting, that their name be included in the shareholders’ list before the Meeting, in which case the transferees are entitled to vote their common shares at the Meeting.

To the knowledge of the directors and senior officers of the Corporation, the only persons beneficially owning or controlling, directly or indirectly, shares carrying more than 10% of the voting rights attached to all shares of the Corporation as of the date of this Proxy Circular are:

Person	Number of Common Shares Owned, Controlled or Directed, Directly or Indirectly	Percentage of Outstanding Common Shares
Marcel Bourassa	13,205,167 ⁽¹⁾	20.50%

(1) Of the 13,205,167 common shares indicated, 12,585,767 are held indirectly through *Les Éleveurs Savaria Inc.* (Mr. Bourassa holds 84% of the voting rights of the latter, the other 16% is held by his brother, Mr. Jean-Marie Bourassa), 336,500 are held indirectly through *9264-4582 Québec Inc.* (the latter being a corporation of which the voting rights are controlled 50-50 by Mr. Marcel Bourassa and Mr. Jean-Marie Bourassa), 250,000 are held through *La Fondation Bourassa Savaria* and 32,900 are held personally by Mr. Marcel Bourassa.

3. PARTICULARS OF MATTERS TO BE ACTED UPON

3.1 Financial Statements and Auditors’ Report

The audited consolidated financial statements of the Corporation for the financial year ended on December 31, 2022, and the auditors’ report thereon will be presented at the Meeting, but no vote thereon is required or expected. These consolidated financial statements were sent to all registered shareholders (except to those who informed the Corporation, in writing, that a copy of the consolidated financial statements was not wanted) and to the Beneficial Shareholders who requested a copy of such documents.

The Corporation's consolidated financial statements are available on SEDAR (www.sedar.com) as well as on the Corporation's website (www.savaria.com).

3.2 Election of Directors

The Corporation is required to have a minimum of three (3) directors and a maximum of twelve (12) directors. The board of directors of the Corporation (the "**Board**") has determined and fixed at nine (9) the number of directors to fulfill the Board's responsibilities. At the Meeting, it is proposed that nine (9) directors be elected to serve until the next shareholders' annual meeting or until their successors are elected or appointed in accordance with the *Business Corporations Act* (Alberta) and the by-laws of the Corporation.

All of the following nominees are incumbent directors of the Corporation who were elected to that position at last year's shareholders' annual meeting except for Ms. Anne Le Breton who was elected by a Board resolution on January 10, 2023.

Unless otherwise directed, the Management representatives named in the accompanying Proxy Form intend to vote FOR the election as directors of the proposed nominees whose names are set forth below.

Director profiles

In the profiles presented on the following pages, equity ownership includes the value of the common shares the director beneficially owns or controls, directly or indirectly. Common shares are valued at \$15.87, the closing price of our common shares on the TSX on March 24, 2023, and the stock options are valued according to the Black-Scholes model used when granted.

5. COMPENSATION OF NAMED EXECUTIVE OFFICERS

5.1 Compensation Philosophy

The compensation philosophy for Named Executive Officers (“NEOs”) is based on the performance and the achievement of predetermined objectives. The Corporation’s compensation philosophy is a reflection of the entrepreneurial culture of Savaria, one where the financial interests of its executives are aligned with the performance of the Corporation. The compensation strategy includes variable components linked to short-term and long-term performance, which are more fully described in this Proxy Circular, but which are linked to the achievement of quantified financial objectives as well as quantifiable objectives tied to strategic activities that are key to the execution of the Corporation’s business plan.

The compensation of NEOs and the participation in the profitability of the Corporation aim to maintain their competitive overall remuneration and to motivate them to perform so that the Corporation achieves its profitability objectives.

5.2 Compensation Discussion and Analysis

The Board has created a Corporate Governance and Human Capital Committee (the “**Committee**”) to assist the Board in fulfilling its responsibilities relating to matters of compensation, human resources and corporate governance. The Committee is composed of three independent members who are Mr. Alain Tremblay (the Chair), Mr. Sylvain Dumoulin and Ms. Caroline Bérubé. For more information on their skills and biographies, please refer to their respective biographies in Section 3.2 and the Skill Matrix under Schedule A hereto.

This Committee has the responsibility of evaluating and making recommendations to the Board regarding the compensation of the NEOs and members of the Board and the equity and incentive-based compensation plans, policies and programs of the Corporation. The Committee’s ultimate objective is to provide a balance between the compensation components representing fixed and variable compensation for NEOs in order to place emphasis on compensation elements linked to performance and accomplish the Corporation’s compensation policy objective.

In determining compensation for the NEOs and members of the Board, the Committee uses as a reference the compensation practices of a peer group (the “**Peer Group**”) of listed Canadian and U.S. companies of similar size in the retail and manufacturing industries. In addition to the foregoing, the Committee also reviews and assesses the compensation package of the Chief Executive Officer and NEOs, by conducting such review it considers appropriate. It reviews, among other things, the compensation packages for the prior year, the Committee’s evaluation of individual performance, the Corporation’s performance and relative shareholder return, the competitiveness of the compensation package, and the awards given in previous years. It should be noted that no member of the Committee serves as CEO of another company.

5.3 Compensation Consultants – Report on Compensation

During fiscal 2022, the Committee retained the services of PCI-Perreault Consulting Inc. (“**PCI**”) for their expert advice in evaluating the competitiveness and appropriateness of the compensation programs of the Corporation for its NEOs. The mandate entrusted to PCI included, but was not limited to, advice on CEO’s base salaries, annual bonus, total cash compensation, long-term incentive programs, total direct compensation, pension plans, social benefits, accessory benefits and provisions regarding employment. In connection with these services, PCI assisted the Committee with the review of its Peer Group, (the positioning regarding compensation and performance, the performance measures, etc.), the design of the programs and the levels of compensation compared to market and made observations and suggestions regarding amendments where appropriate. This compensation study was provided for a total amount of \$18,396. During the fiscal years 2021 and 2022, no other fees were paid to PCI.

The results of the benchmarking exercise led to adjust the peer group reflecting the size and market capitalization of Savaria following its acquisition of Handicare Group AB. The results also indicated that the CEO’s base salary and maximum bonus needed some review which was also taken into account for his total compensation.

Based on these findings and upon the suggestions of PCI and of the Committee, the Board approved the adjustment of the CEO’s base salary and total compensation to reflect the market value of his role and more closely align his total compensation package with that of the new peer group.

5.4 Peer Group Composition

PCI also reviewed and evaluated the pertinence of the Peer Group to be used for market benchmarking purposes. The Peer Group companies are selected in order to represent a theoretical talent market for the organization’s NEOs and from this point of view the group’s constituents is of great importance. The selection criteria employed to identify the companies to be included in the Peer Group were (i) companies competing in industries relating to the Corporation’s such as retail, manufacturing and distribution; and (ii)

companies with a financial footprint as measured by annual revenues of \$419M to \$1.6B; (iii) companies with a market capitalization from \$498M to \$2.1B.

The Peer Group approved by the Committee is comprised of the following companies:

Canada		USA
• GroupExchange Income Corp.	• Ag Growth International Inc.	• EnPro Industries
• Magellan Aerospace Corp.	• Logistec Corp.	• Tennant Company
• Badger Daylighting Ltd.	• Boralex	• TriMas Corporation
• Héroux-Devtek Inc.		• Circor International
• GDI Integrated Facility Services		• Enerpac Tool Group Corp.
• Hardwoods Distribution Inc.		• CSW Industrials

5.5 Elements of Compensation

There are three main components to the remuneration for the NEOs: a base salary, an annual incentive plan (bonus) and a long-term incentive plan.

Base Salary

The base salary of the NEOs reflects the hierarchical level, the responsibilities and the complexity of each position. The base salary is reviewed annually and salary adjustments are based on individual performance and on the Corporation's results, without the Corporation conducting market analyses or referring to a specific industry peer group.

Performance Bonus

The NEOs are eligible for a performance bonus. For the year ended December 31, 2022, the CEO was entitled to a performance bonus equal to up to 150% of his base salary, if the 2022 budgeted consolidated adjusted earnings before interest, tax and amortization ("**EBITDA**") in dollars and margin, budgeted revenue and personal objectives were outperformed. The other NEOs were each entitled to a performance bonus, at the discretion of the CEO, based on certain criteria and goals. The Board has determined that it is common practice for a public company to award an annual performance bonus to certain NEOs when performance targets are met, allowing to align their interests with those of the Corporation and allowing them to participate in the financial success of the Corporation or of their division.

The following table indicates the composition of the 2022 financial objectives, the target bonus and the bonus earned by the NEOs, for the fiscal year ended December 31, 2022.

Name	Objectives	Target Bonus (\$)	Bonus Earned (\$)
Marcel Bourassa President and Chief Executive Officer	Budgeted EBITDA and Revenue (80%) Personal Objectives (20%)	870,000	156,600
Stephen Reitknecht Chief Financial Officer	Budgeted EBITDA (60%) Working Capital Days (20%) Personal Objectives (20%)	105,000	71,967
Sébastien Bourassa VP Operations & Integration	Budgeted EBITDA (80%) Personal Objectives (20%)	81,000	69,650
Les Teague Group President, Patient Care	Budgeted EBITDA (60%) Revenue (20%) Personal Objectives (20%)	113,213	130,026
Clare Brophy Executive Vice President Commercial Europe	Budgeted EBITDA (60%) Revenue (10%) Working Capital Days (10%) Personal Objectives (20%)	168,486	45,908

The Corporation does not disclose the budgeted or realized EBITDA of its subsidiaries as this information is confidential and its disclosure could seriously compromise the Corporation's interests, placing it at a competitive disadvantage.

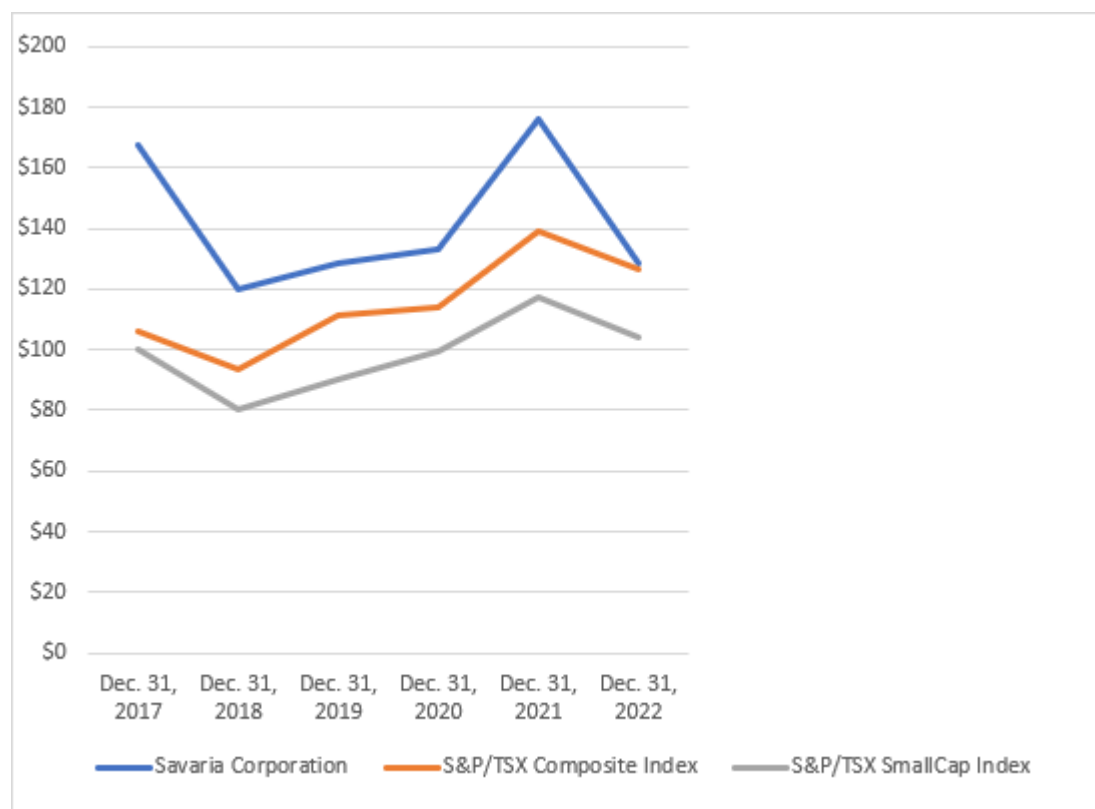

Long Term Incentive – Stock Options

The Board has determined that it is common practice for a public company to award long-term incentive to certain NEOs when being appointed and/or performance targets are met, allowing to align their interest with those of the Corporation and its shareholders. The Board approved a stock option plan for the Corporation in 2006 (the “**Stock Option Plan**”). Each option granted under the Stock Option Plan allows its holder to purchase one common share of the Corporation. For more details on the Stock Option Plan, refer to Section 6.2 *Stock Option Plan* below.

The number of stock options granted is suggested by the President and CEO and approved by the Board as the case may be. The grant process is very simple and does not follow any specific criteria.

5.6 Performance Graph

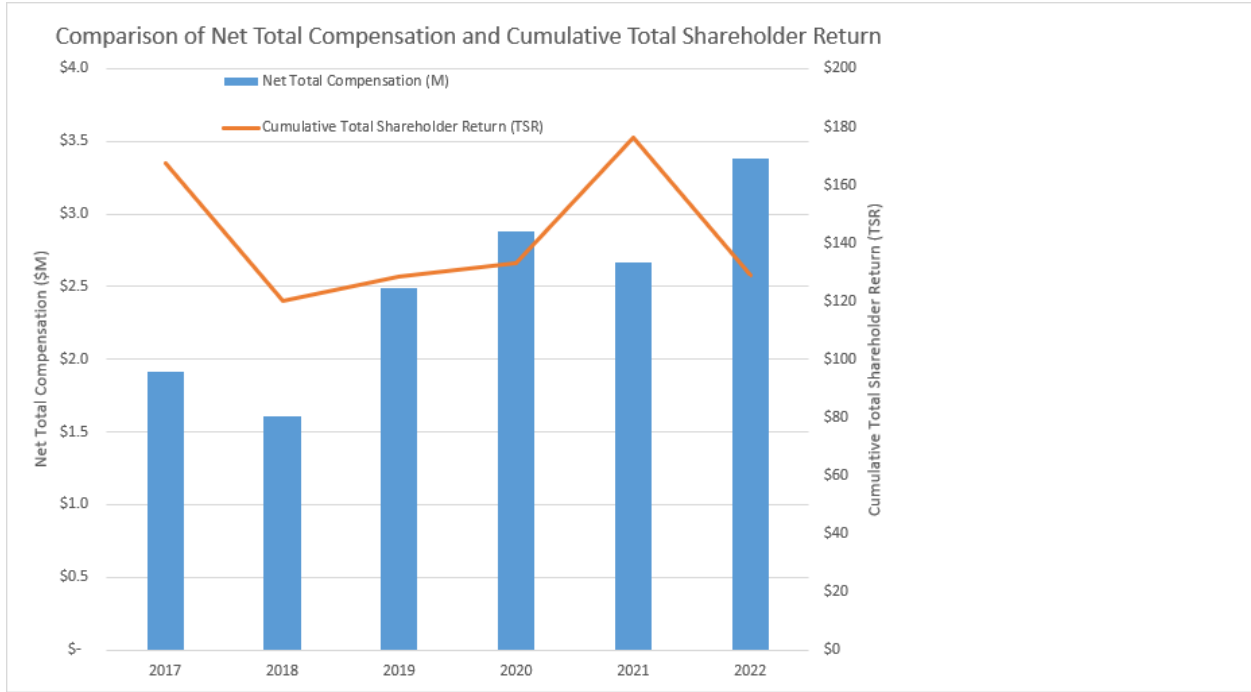

The following graph compares the variation in the cumulative total shareholder return on the Corporation’s common shares over the period from December 31, 2017, to December 31, 2022, with the cumulative total return of the S&P/TSX Composite Index and S&P/TSX SmallCap Index over the same period, assuming reinvestment of dividends.

	Dec. 31, 2017	Dec. 31, 2018	Dec. 31, 2019	Dec. 31, 2020	Dec. 31, 2021	Dec. 31, 2022
Savaria Corporation (\$)	168	120	128	133	176	129
S&P/TSX Composite Index (\$)	106	94	112	114	139	127
S&P/TSX SmallCap Index (\$)	100	80	90	99	118	104

Savaria’s executive compensation policy emphasizes incentive compensation linked to the success of the Corporation to ensure that the financial interests of the Corporation’s executives are closely aligned with those of shareholders. Executive compensation is not directly linked to the performance of the Corporation’s share price, except for the CEO who has a long-term incentive directly linked to the Corporation’s share price as described above.

The following graph illustrates the relationship between the net total compensation paid to the NEOs and cumulative total shareholder return over the period between January 1, 2017 and December 31, 2022.

	2017	2018	2019	2020	2021	2022
Net Total Compensation (\$ M)	1.9	1.6	2.5	2.9	2.7	3.4

6.2 Stock Option Plan

The Stock Option Plan is administered by the Board which shall, without limitation, have full and final authority in its discretion, but subject to the express provisions of the Stock Option Plan, to interpret the Stock Option Plan, to prescribe, amend and rescind rules and regulations relating to it and to make all other determinations deemed necessary or advisable for the administration of the Stock Option Plan, subject to any necessary shareholder or regulatory approval. The Board may delegate any or all of its authority with respect to the administration of the Stock Option Plan. The Board shall determine to whom options shall be granted, the terms and provisions of the respective option agreements, the time or times at which such options shall be granted and vested, and the number of common shares to be subject to each option.

The Board shall have full power and authority to amend, suspend or discontinue the Stock Option Plan at any time or the terms of any previously granted options, without obtaining shareholder approval, provided that no such action may in any manner adversely affect the rights under any options earlier granted to an Eligible Participant under the Stock Option Plan without the consent of that Eligible Participant. Such changes include, without limitation:

- (i) minor changes of a “housekeeping nature”;
- (ii) changing the class of participants eligible to participate under the Stock Option Plan;
- (iii) changing the termination provision of the Stock Option Plan or of any option including accelerating vesting or extending the expiration date of any option, provided that the period during which an option is exercisable does not exceed ten (10) years from the date the option is granted;
- (iv) changing the terms on which options may be granted and exercised including, without limitation, the provisions relating to the determination and payment of the option price and the methodology for determining the exercise price of an option;
- (v) changing the provisions on transferability of options for normal estate settlement purposes;
- (vi) changing the process by which an Eligible Participant who wishes to exercise his or her option can do so, including the form of exercise notice and the place where such payments and notices must be delivered;
- (vii) changing the terms and conditions of any financial assistance to Eligible Participants or adding any cashless exercise features;
- (viii) adding a conditional exercise feature which would give the Eligible Participant the ability to conditionally exercise in certain circumstances determined by the Board, at its discretion, at any time up to a date determined by the Board, all or a portion of those options granted to such Eligible Participant which are then vested and exercisable in accordance with their terms, as well as any unvested options which the Board has determined shall be immediately vested and exercisable in such circumstances;
- (ix) making any amendment to the Stock Option Plan to permit the granting of deferred or restricted share units under the Stock Option Plan or to add or to amend any other provisions which would result in the participants receiving securities of the Corporation while no cash consideration is received by the Corporation;
- (x) making any change that is necessary or desirable to comply with applicable laws or regulations or the requirements of any applicable regulatory authority or stock exchange;
- (xi) correcting or rectifying any ambiguity, error or omission in the Stock Option Plan; and
- (xii) changing the provisions relating to the administration of the Stock Option Plan.

Notwithstanding the foregoing, the prior approval of the holders of a majority of the votes attached to all common shares of the Corporation is required if the amendments relate to the following:

- (i) a reduction in the exercise price or purchase price of an option under the Stock Option Plan benefiting an insider of the issuer;
- (ii) an extension of the term, under the Stock Option Plan, benefiting an insider of the issuer;
- (iii) any amendment to remove or to exceed the insider participation limit;
- (iv) an increase to the maximum number of securities issuable, either as a fixed number or a fixed percentage of the listed issuer’s outstanding capital represented by such securities; and
- (v) any amendment to an amending provision within the Stock Option Plan.

A maximum number of common shares equal to 10% of the issued and outstanding common shares, from time to time, are reserved for issuance under the Stock Option Plan. If option rights granted to an individual under the Stock Option Plan are exercised, expire or terminate for any reason without having been exercised, such shares may be made available for other options to be granted under the Stock Option Plan. An option granted under the Stock Option Plan shall not be transferable or assignable (whether absolutely or by way of mortgage, pledge or other charge) by an optionee, other than by will or other testamentary instrument or the laws of succession.

No one individual may be granted options to purchase common shares totaling more than 5% of the issued and outstanding common shares at any time, from time to time. No one individual acting as a consultant to

the Corporation may be granted options to purchase common shares totaling more than 2% of the issued and outstanding common shares in any one twelve (12) month period. No one individual providing investor relations services to the Corporation may be granted options to purchase common shares totaling more than 2% of the issued and outstanding common shares in any one twelve (12) month period, and options issued to individuals performing investor relations services must vest in stages over at least twelve (12) months with no more than a quarter (1/4) of the options vesting in any three (3) month period.

Options may be granted under the Stock Option Plan to any person who is a director, officer, employee or consultant of the Corporation or its subsidiaries. Subject to compliance with applicable requirements of the Toronto Stock Exchange ("TSX"), individuals may elect to hold options granted to them in an incorporated entity wholly owned by them and such entity shall be bound by the terms of the Stock Option Plan in the same manner as if the options were held by the individuals.

The number of securities:

- (i) issuable to insiders, at any time, under all security-based compensation arrangements, cannot exceed 10% of issued and outstanding common shares; and
- (ii) issued to insiders, within any one (1) year period, under all security-based compensation arrangements, cannot exceed 10% of issued and outstanding common shares.

The exercise price for the options granted pursuant to the Stock Option Plan shall be the closing price of the common shares on the TSX on the trading day preceding the day on which the option is granted or, if no common shares have been traded on such immediately preceding trading day, the simple average of the final bid and ask price of the common shares on the TSX, or such greater amount as the Board may designate.

Each option granted under the Stock Option Plan shall expire on the date set out in the corresponding option agreement, subject to earlier termination as provided under the Stock Option Plan. In no circumstances shall the duration of an option exceed ten (10) years. Should the expiration date of an option fall within a blackout period or within nine (9) business days following the expiration of a blackout period, such expiration date shall be automatically extended without any further act or formality to that date which is the tenth (10th) business day after the end of any such blackout period, such tenth (10th) business day to be considered the expiration of the terms of such option for all purposes under the Stock Option Plan.

In the event the Corporation undergoes a change of control (a reorganization, acquisition, merger or a plan of arrangement in connection with any of the foregoing) with respect to which all, or substantially all, of the persons who were the beneficial owners of the common shares immediately prior to such reorganization, acquisition merger or plan of arrangement do not, following such reorganization, acquisition, merger or plan of arrangement, beneficially own, directly or indirectly more than 50% of the resulting voting shares on a fully diluted basis (not including a public offering or private placement out of treasury), or sale to a person other than an affiliate of the Corporation of all, or substantially all, of the Corporation's assets, then all granted and outstanding options shall be deemed to vest immediately upon the completion of the transaction causing the change of control.

If, at any time when an option granted under the Stock Option Plan remains unexercised with respect to any optioned shares, an offer to purchase all of the common shares is made by a third party, the Corporation shall use its best efforts to bring such offer to the attention of optionees as soon as practicable. The Corporation may, at its discretion, require the acceleration of the time for the exercise of the option rights granted under the Stock Option Plan and of the time for the fulfillment of any conditions or restrictions on such exercise.

If an individual is dismissed as an employee, officer or consultant by the Corporation, or by one of its subsidiaries, for cause, all unexercised option rights of that individual under the Stock Option Plan shall terminate immediately upon such dismissal, notwithstanding the original term of the option granted to such individual.

If an individual ceases to be an officer, employee or consultant of the Corporation or of one of its subsidiaries as a result of:

- (i) disability or illness preventing the individual from performing the duties routinely performed by such person;
- (ii) retirement at the normal retirement age prescribed by the Corporation's pension plan;

- (iii) resignation; or
- (iv) such other circumstances as may be approved by the Board,

such individual shall have the right, for a period not exceeding ninety (90) days from the date of ceasing to be an officer, employee or consultant (or, if earlier, until the expiry date of the option rights pursuant to the terms of the particular option agreement), to exercise the option under the Stock Option Plan with respect to all optioned shares of such individual to the extent they had vested and were exercisable on the date of ceasing to be an officer, employee or consultant.

If an individual ceases to be a director of the Corporation or of one of its subsidiaries as a result of:

- (i) disability or illness preventing the optionee from performing the duties routinely performed by such optionee;
- (ii) retirement at the normal retirement age prescribed by the Corporation's pension plan;
- (iii) resignation; or
- (iv) such other circumstances as may be approved by the Board,

such individual shall have the right, for a period not exceeding one (1) year from the date of ceasing to be a director (or, if earlier, until the expiry date of the option rights pursuant to the terms of the particular option agreement) to exercise the option under the Stock Option Plan with respect to all optioned shares of such individual to the extent they had vested and were exercisable on the date of ceasing to be a director.

If an individual providing investor relations services to the Corporation ceases to be employed to provide such services as a result of:

- (i) disability or illness preventing the individual from performing investor relations services;
- (ii) retirement at the normal retirement age prescribed by the Corporation's pension plan;
- (iii) resignation; or
- (iv) such other circumstances as may be approved by the Board,

such individual shall have the right, for a period not exceeding thirty (30) days from the date of ceasing to be engaged (or, if earlier, until the expiry date of the option rights pursuant to the terms of the particular option agreement), to exercise the option under the Stock Option Plan with respect to all optioned shares of such individual to the extent they had vested and were exercisable on the date of ceasing to provide investor relations services.

In the event of the death of an optionee, the legal representatives of the deceased optionee shall have the right for a period not exceeding one (1) year from the date of death of the deceased optionee (or, if earlier, until the expiry date of the option rights pursuant to the terms of the particular option agreement) to exercise the deceased optionee's option.

The Board may, from time to time, approve financial assistance to an eligible participant for the exercise of options granted to such eligible participant under the Stock Option Plan. Any such financial assistance shall be approved by resolution of the Board and shall be on commercially reasonable terms with respect to the amount of interest payable. The repayment term of such financial assistance shall be for a period of not more than ten (10) years. A term of any such financial assistance will require that the common shares issued upon such exercise shall be pledged to the Corporation as security for repayment of the financial assistance.

Stock Option Renewal

In accordance with the policies of the TSX, shareholders last approved all unallocated options under the Stock Option Plan at the annual and special meeting held on May 12, 2021.

Position Descriptions

The Board has developed Charters for the Audit and Corporate Governance and Human Capital committees of the Board, as well as respective position descriptions for the Chairperson, President and Chief Executive Officer, for the Lead Director and for the Committee chairs. A full description of these mandates can be found on the Corporation's website at www.savaria.com.

Nomination of Directors

The Board has delegated to the Corporate Governance and Human Capital Committee (the "**Committee**") the task of evaluating and recommending to the Board new nominees for the position of Director. The Committee determines the skills, abilities and personal attributes required of new directors, with a view to creating value for shareholders. Occasionally, the services of a recruiting firm may be retained. The potential candidates are interviewed by the members of the Committee, the Lead Director and Chairman and, if needed, by the Board members. Following this process, the Committee will make its recommendations to the Board. The Committee is exclusively comprised of independent directors. The members are Messrs. Tremblay (Chair), Dumoulin and Ms. Caroline Bérubé. By their experience, education and involvement in the business world, all the members are experienced in compensation matters.

Election of Directors

The Board must be composed of a minimum of three (3) directors and of a maximum of twelve (12) directors. Pursuant to a resolution of the Board, nine (9) persons are to be elected as directors for the current fiscal year, each to hold office until the next annual meeting of shareholders or until such person's successor is elected or appointed. Management proposes the election, at the Meeting, of the nine (9) nominees, all are currently members of the Board.

Management does not contemplate that any of the nominees will be unable to serve as a director but, should any of the nominees be unable to serve as a director for any reason prior to the Meeting, the persons named in the form of proxy reserve the right to vote for another nominee in their discretion, unless the shareholder has specified in the proxy that his or her shares are to be withheld from voting in the election of directors.

Advance Notice of Director Nominations

The Corporation adopted an Advance Notice By-Law providing shareholders with the framework to exercise their right to submit director nominations prior to any annual or special meeting of shareholders by fixing a deadline by which such nominations must be submitted and sets forth the information that a shareholder must include in the written notice to the Corporation for any director nominee to be eligible for election at such annual or special meeting of shareholders.

The Advance Notice Provisions fix a deadline by which shareholders must submit director nominations to the Corporation prior to any annual or special meeting of shareholders. In the case of an annual meeting of shareholders, notice to the secretary of the Corporation must be made not less than thirty (30) days prior to the date of the annual meeting; provided, however, in the event that the annual meeting is to be held on a date that is less than fifty (50) days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the close of business on the tenth (10th) day following such public announcement. In the case of a special meeting of shareholders (which is not also an annual meeting) called for the purpose of electing directors (whether or not called for other purposes as well), notice to the Corporation must be made not later than the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting was made.

For the purposes of the Advance Notice By-law, “**public announcement**” means disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Corporation under its profile on SEDAR at www.sedar.com. The Advance Notice By-law will be subject to review by the Board, and will be updated from time to time to reflect changes required by securities regulatory agencies or stock exchanges, or to conform to industry standards.

Gender Diversity and Board Term

The Corporation values diversity of views, experience, skill sets, gender and ethnicity and supports the identification and nomination of women directors and candidates for executive officer positions. However, gender diversity is only one factor out of many that is taken into account in identifying and selecting Board members and in considering the hiring, promotion and appointment of executive officers.

The Committee carefully examines the composition of the Board, more specifically its size, the professional skill set of each individual and the sectors of activity. The Board must ensure that the directors collectively have all the relevant skills, experience and qualities enabling them to meet the challenges which the Corporation faces and that they form a strong independent Board allowing them to better serve the interests of the shareholders in the long term.

Currently, the Corporation has two women on the Board and two women in an executive level position. The Corporation wishes to emphasize that it has a succession plan in place for its executive management, which focuses on regular performance evaluations and other processes (including, but not limited to, development and career planning), as well as invests and mentors all of its executive officers, regardless of their gender. The Corporation recognizes that in order to achieve a better, more representative balance between men and women on the Board and in executive officer positions, it must ensure that this talent pipeline is properly developed.

The Corporation has not set any specific targets with regards to the representation of women on the Board or in executive officer positions, nor has it adopted a policy to that effect, but focuses instead on choosing the most appropriate candidate for the position.

The Corporation has considered whether or not to impose a mandatory Board term for its board members and will continue to do so. To date, the Corporation believes that adopting such a policy is not appropriate for its Board. In fact, the Corporation considers that its annual assessment process is the most efficient and transparent manner to evaluate the Board members and it ensures that Board members provide an added value and provide a strong contribution to the Corporation. The current Board structure takes all these objectives into consideration.

Skills Matrix

The Committee maintains a “skills matrix” for the Board where each director is asked to indicate his or her experience which is compiled into the matrix. The skills matrix allows the Board to easily review the Board skills composition to ensure the Board’s expertise is well rounded. The results are reviewed, analyzed and discussed by the full Board. The contents of the skills matrix for the directors seeking re-election, as the case may be, are as follows:

SKILLS AND EXPERIENCE (level of expertise 1 to 5)	<i>Marcel Bourassa</i>	<i>Jean-Marie Bourassa</i>	<i>Sébastien Bourassa</i>	<i>Caroline Bérubé</i>	<i>Jean-Louis Chapdelaine</i>	<i>Sylvain Dumoulin</i>	<i>Peter Drutz</i>	<i>Anne Le Breton</i>	<i>Alain Tremblay</i>

Majority Voting Policy

As part of its ongoing review of corporate governance practices, the Corporation’s Board adopted the policy on majority voting for director nominees, which provides that in an uncontested election of directors, if the number of shares withheld from voting for any nominee exceeds the number of shares voted for such nominee, then, notwithstanding that such nominee was duly elected as a director as a matter of corporate law, he or she shall, within five (5) days following the date of the final scrutineer’s report on the ballot, tender his or her written resignation to the chair of the Board. According to this policy, the Committee will then consider such offer of resignation and will make a recommendation to the Board concerning the acceptance or rejection of the resignation. In its deliberations, the Committee will consider all factors deemed relevant. The Board will take formal action on the Committee’s recommendation no later than ninety (90) days following the date of the applicable annual meeting and will announce its decision via press release. No director who is required to tender his or her resignation shall participate in the Committee’s deliberations or recommendations or in the Board’s deliberations or determination. In the event any director fails to tender his or her written resignation when required to do so in the circumstances described above, such director will not be put forward by the Board as a nominee at the next annual meeting where directors are to be elected. If a resignation is accepted by the Board, and subject to any corporate law restrictions, the policy provides that the Board may either leave any resulting vacancy unfilled until the next annual meeting, appoint a new director, who the Board considers to merit the confidence of the shareholders, to fill the vacancy, or call a special meeting of shareholders at which there will be presented a management slate to fill the vacant position or positions. It should be noted that this policy only applies to uncontested elections (i.e. an election where the only nominees are those recommended by the Board) and does not apply in the case where the election involves a proxy battle.
